To
The Chief General Manager,
Eastern Telecom Project,
Mominpur,
Kolkata.

Sub. Merger of ETP and ETR Circle – regarding.

Sir,

It has come to our notice that the BSNL management has decided to merge ETR and ETP Circle and a separate Circle will be formed named as Core Net Working Circle. The merger will take place, as decided earlier, w.e.f 1st December, 2020. The matter was discussed with you in our last meeting and we had pointed out some points for your kind consideration. Again I would like to narrate few words in this regard for your consideration.

1. It was decided that the office at Ultadanga will be shifted to any other building before the merger takes place. But no action has yet been taken in this regard. Though the department had visited some buildings but nothing has been finalized so far to shift the office from old building at Ultadanga to a better spot in Kolkata.
2. It was assured by the management that a small unit of Project will continue under GM (Project) in the new set up. But in the recent past it has come to our notice that the staffs are being transferred from ETP circle to ETR circle keeping the recognized union in dark. We strongly protest such activities of the management. We are very much surprised that the ETP administration is going to release all the skilled staffs of ETP to ETR circle though there is a provision to continue project activities in a separate wing under GM (Project). Then why the experienced and skilled staffs of ETP are being transferred to ETR? This should be stopped immediately. It has also come our notice that the transfer orders have already been issued by the ETP administration without maintaining the existing transfer policy of the department.

Under this circumstance, I on behalf of the Circle Union request you to convene a meeting with ETR authority where we can also keep our views. Failing which we will have no other alternative but to resort to Trade Union action.

Hope you will do the needful to keep harmony and peace in ETP circle for the sake of BSNL service.

Thanking you,

Yours faithfully,

(Animesh Mitra)
Circle Secretary
