Date: 16.05.2020

To  
The Chief General Manager Telecom,  
BSNL, West Bengal Circle,  
8, Red Cross Place, CTO Building,  
Kolkata – 700 001.

Sub. : Health Care of Staffs of WBTC.

Sir,

I like to inform you that our staffs particularly who are working in the field, either executive or non-executive, have shouldered the responsibility to provide uninterrupted Telecom service in the states of West Bengal and Sikkim under Covid-19 pandemic situation. BSNL being the essential service and these staffs, are attached to this service, have neither any Hospitals or Nursing Homes year marked for their treatment if they get affected by Corona virus nor they are covered under any Insurance scheme for any untoward incidents due Covid-19.

Sir, you are perhaps aware of the fact that some BSNL workers in Kolkata got affected by the deadly Corona virus and culminated in sad demise. In this regard I like to mention that Govt. of West Bengal has introduced some welfare measures for their staffs that are fighting against the Corona virus.

Under this situation, I like to request you to arrange for an agreement with any Super Specialty Hospital or Nursing Home only for the treatment of Corona where our staffs could get proper treatment in this pandemic situation. I also like to request you to place before CMD, BSNL for introduction of Health Insurance of an adequate amount for any health hazard of our staffs due to Covid-19. This would give peace of mind to our staffs so that they could discharge their duties more dedicatedly. All the facilities may also be extended to the casual & contract workers since they are also attached with the same nature of job that with the regular employees.

Hope, you would surely realize the situation and do the needful to protect our staffs from any health hazard due to Covid-19.

Thanking you,

Yours faithfully,

(Animesh Mitra)  
Circle Secretary
