**Subject: Non Supply of Water in Burdwan Telephone Exchange and adjacent Quarters.**

Sir,

I am constrained to draw your kind attention to the following few lines on the subject mentioned above.

It is most unfortunate that the Management has failed to take proper action on the complaint of the Burdwan Staff regarding inadequate water supply in Burdwan telephone exchange and adjacent quarter complex since 15<sup>th</sup> May, 2020. Practically it is a the problem of the Water Pump and supply line for which the SDO Phones Burdwan has reported to SDE Civil on 29<sup>th</sup> May, 2020 to take proper action. The employees attached to Burdwan Exchange Building have cooperated with the Management with a hope that the problem will be resolved within a reasonable time. But really it is a lacuna on the part of the Administration that the problem remained unsettled till date. On compulsion, the staff side has taken a decision not to turn up in the office which is not desirable but it is also shame on the part of the Administration that they failed to take any initiative to discuss the matter with the Staff Side.

Under these circumstances we request you to take immediate action so that the water problem of Burdwan exchange can be resolved. Hope, the management will discuss the matter with the staff side at Burdwan immediately to ensure water supply without further delay.

Thanking you,

Yours faithfully,

(Animesh Mitra)  
Circle Secretary
