Date : 12.05.2021

To
The Chief General Manager Telecom,
BSNL, West bengal Circle,
8, Red Cross Place, CTO Building,
Kolkata – 700 001.

Sub. : Organising of Covid-19 Vaccination camp- regarding.

Sir,

The Covid-19 situation is getting out of our hand gradually. Death has now also been entered in BSNL. The BSNL employees along with their families are in panic condition. Even death has occurred in the department while on duty. We have already, well in advance, given you letter and discussed to take an effective measure on the issue. We have demanded that BSNL management should take initiative so that Vaccine camp could be organized in BSNL campus for vaccination. No proper steps have yet been taken on the part of Circle administration till date in spite of having clear guidance from the corporate office in this regard. We know that letter has been issued to the Health department of State Government to take necessary steps but no positive development took place. It is true that you have written letter and discussed the matter at the appropriate level whether camp could be organized or otherwise. When we, BSNLEU, met on 10th May, 2021 we have demanded to explore the past relation in connection with BSNLMRS with the Nursing Homes/Hospitals beside the government arrangements so that we can try to start the vaccination camp. We have also suggested that Marketing Managers of different renowned Nursing Homes/Hospitals of our City may be contacted and a BSNL team to be formed for the purpose so that we can save our distressed staffs and their families. In various states and different circle administrations have taken necessary measures and they have succeeded to organise vaccine camps. In our state also other circle administration have made necessary arrangements in this regard. We have also said that to deploy GM /BA to make necessary arrangements with the Nursing Home/Hospitals at the District/ Town and at the Block level. I would like to give a small example that due to the measure taken at the local level and with the help of the health department vaccine could given to the BSNL staff at SDOT, Katwa and in CTS department.

I, on behalf of this Circle Union, request you to convene a meeting with all the recognized unions so that we can make an effective arrangements to organise Vaccine Camp throughout the state jointly.

Hope you will surely realize the need of the hour and do the needful at your earliest.

Thanking you,

Yours faithfully,

(Animesh Mitra)
Circle Secretary
